

Once needed, always recommended

A medical emergency away from home without travel insurance can cause considerable financial difficulty, emotional stress and can ruin a vacation or an extended trip. Don't risk your financial stability and peace of mind — protect yourself and your loved ones from unnecessary expense and anxiety with Medi-Select Advantage Emergency Medical Travel Insurance from **etfs**. You cannot predict the future, but you can protect it!

Snowbirds and Travelling Canadians are not always aware of the high costs of medical treatment and hospitalization outside their province or territory of residence, and provincial government health care plans no longer cover the entire cost. Medi-Select Advantage provides out-of-province and out-of-country emergency medical insurance for Canadians to meet their coverage needs. From policy design to assistance and claims, Medi-Select Advantage is completely handled in one location, so you can travel with confidence and enjoy your trip with peace of mind.

In an emergency situation, the comfort that comes with peace of mind is often vital to a rapid and successful recovery. Time is critical, and with a toll free multilingual response available 24 hours a day, 365 days of the year, you are guaranteed an expeditious connection. An experienced and professional team will arrange and monitor treatment while providing support to the patient and family, and whenever necessary, will organize evacuation home or to the nearest qualified medical facility.

Personalized service does not end with the medical treatment. With our commitment to excellence, the prompt settlement of your claim is just as important, so to minimize paperwork and inconvenience, we arrange direct payment with participating hospitals, physicians and other providers.
